GLASS CLEANER

Cleaning and polishing glass, plastics, reflective surfaces, metal and other non-porous surfaces is made easy with this product. This product is formulated with foaming action that prevents drips and runoffs from vertical surfaces. It is fast drying and does not require rinsing (except on food contact surfaces).

Anti-fogging properties provide a clear surface after each use. Its non-ammoniated design eliminates harsh smells as this product removes greasy soils. Simply spray on, wipe off with a clean cloth and polish dry. The surface will sparkle -- without film, streaks or smudges.

Features	-	Related Benefits
Multi-surface cleaner	-	Use on glass, chrome, plastic & more
Institutional strength	-	Removes smudges & greasy fingerprints
Non-ammoniated	-	Effective cleaner without harsh odor
Fast drying	-	No streaks, no film
